

How to Choose 6th Grade Electives in Aeries Parent/Student Portal

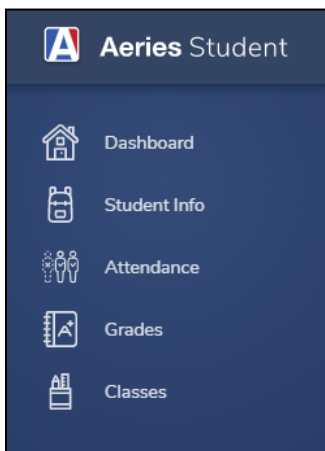

Parents/Students will need to log into the Miller Creek Middle School Aeries Portal using their current Aeries contact email address or the students Miller Creek School District email account / password [here](#). Students, make sure to click [Sign in with Google](#).

Make sure you click the student contact card that has [Miller Creek Middle School](#) on it.

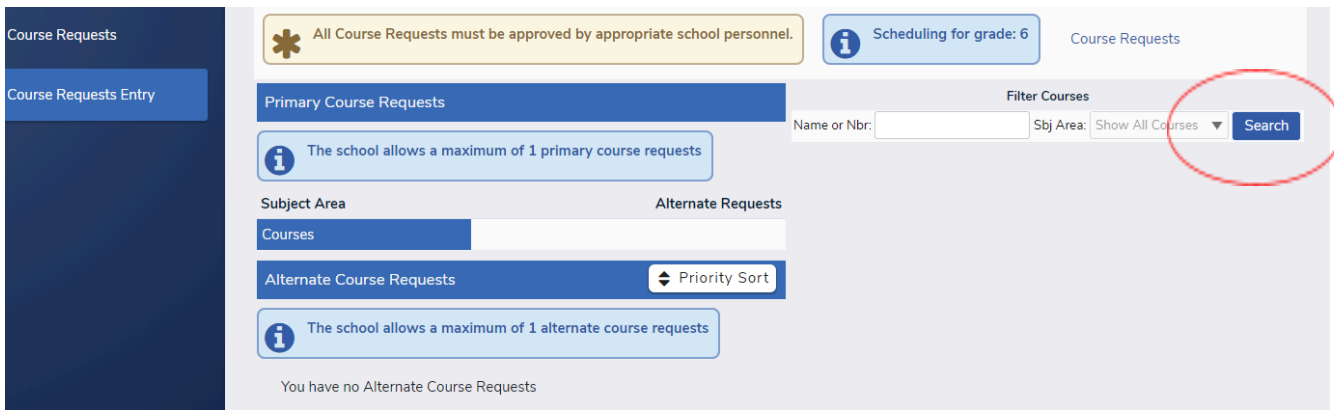

Click [Classes](#).

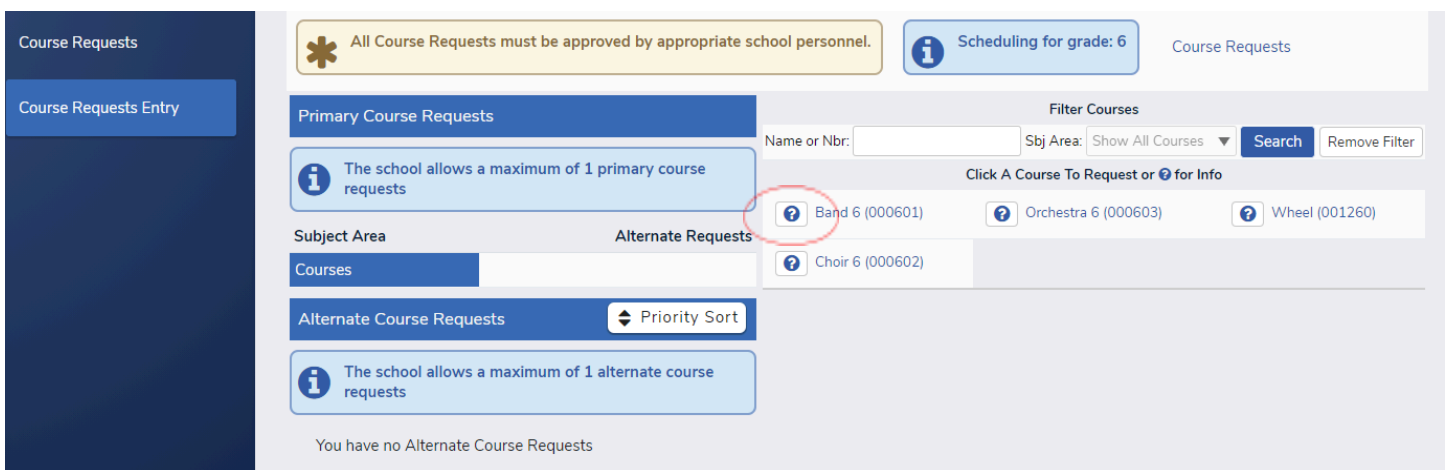

Then choose [Course Requests Entry](#).

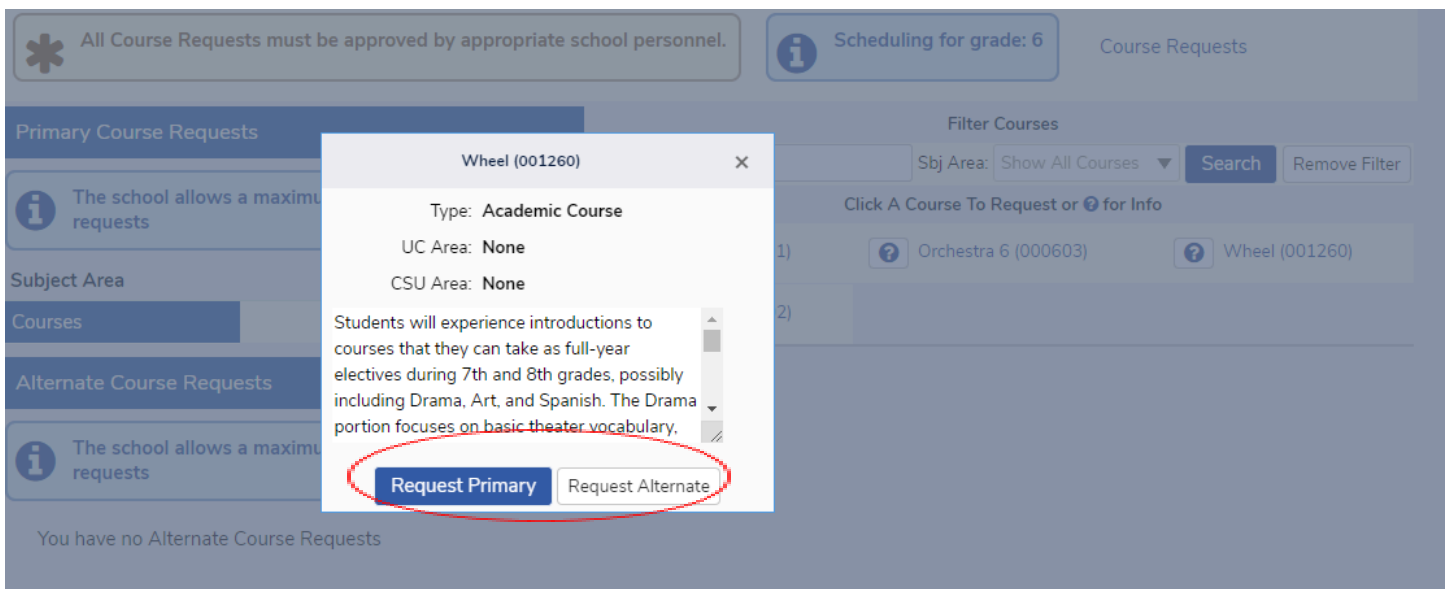

Click the blue button **SEARCH** on the right side to populate the course electives.

The electives for your grade level will pop-up and click the **?** to read about the elective.

Click **Request Primary** or **Request Alternate** if this is the elective you want.

Once you select **ONE** Primary Course Requests and **ONE** Alternate Course Requests, you are done!

The screenshot displays a web interface for course requests. On the left is a dark blue sidebar with 'Course Requests' and 'Course Requests Entry' buttons. The main area has a yellow warning banner: 'All Course Requests must be approved by appropriate school personnel.' Below this are two sections: 'Primary Course Requests' and 'Alternate Course Requests'. The 'Primary Course Requests' section includes an information icon and the text 'The school allows a maximum of 1 primary course requests'. It features a 'Subject Area' dropdown set to 'Courses', a trash can icon, a question mark icon, and the text 'Band 6 (000601)'. A 'Manage' button is also present. The 'Alternate Course Requests' section includes an information icon and the text 'The school allows a maximum of 1 alternate course requests'. It features a trash can icon, a question mark icon, and the text 'Wheel (001260)'. At the top right, there is a 'Scheduling for grade: 6' button and a 'Course Requests' link. A 'Filter Courses' section includes a search bar for 'Name or Nbr', a dropdown for 'Sbj Area' set to 'Show All Courses', and 'Search' and 'Remove Filter' buttons. Below the filter is a section titled 'Click A Course To Request or ? for Info' containing buttons for 'Band 6 (000601)', 'Orchestra 6 (000603)', 'Wheel (001260)', and 'Choir 6 (000602)'. A 'Priority Sort' button is located between the primary and alternate request sections.

If you want to change a course that you picked, click the **Trash Can** symbol to delete the record and then reselect. Make sure you have **one Primary Course Request** and **one Alternate**.
