MILLER CREEK MIDDLE SCHOOL

Student Conduct Expectations

Miller Creek strives to be an exemplary school which operates within a model of continuous improvement to promote life-long learners. Our teachers and staff work hard to connect with all students and to work to promote respectful, kind, creative, and confident individuals. As a school community, we focus our attention and resources on educating the whole child, and building a healthy staff to student and student to student connection. We continuously strive to improve our Culture of Learning and help our Panthers as they navigate the social and emotional balance during their time at Miller Creek. Our school community expects and promotes:

Disruption-free learning environments

Every student contributes daily to a positive and constructive learning experience for their peers and themselves.

- ***Students will respect and respond appropriately to each other and to all staff.***
- ***Establish a calm, orderly and safe environment for remote learning.***
- ***Cell phones will be turned off and in backpacks or lockers from 8:00 AM until dismissal (never in the Library).***
- ***Students will be on time to each class every day.***
- ***Gum is not permitted in classrooms.***
- ***Students will adhere to the Clothing Guidelines every day.***
- ***Drugs, alcohol, tobacco and vaping products are never allowed on campus or at school events.***

Respectful interactions with everyone at all times

It is never acceptable or allowed to harass and/or bully other students, staff or community members.

- ***Bullying behaviors are prohibited and will be reported immediately when observed.***
- ***If you see something, say something to a trusted adult.***
- ***Promote respectful, kind, and healthy staff-student and student-student interactions.***

Safe and respectful campus environments

Our campus is an extension of the classroom and all classroom expectations apply on school grounds.

- ***No tackling, hitting, wrestling, play-fighting or disrupting other's games are permitted.***
- ***Appropriate and respectful conduct in the Library at all times.***
- ***Students will not tamper with or take other's property - if it isn't yours, leave it alone.***
- ***Students will eat lunch in designated areas only and clean up after themselves.***
- ***Cutting and/or pushing in the lunch line are not permitted.***
- ***Students are not allowed to leave campus without adult supervision.***

Appropriate, respectful and safe use of technology and social media

We provide access to technology to enhance student learning. Access to technology is a privilege that can be revoked.

- ***Students will never video, record or share images/videos of fellow students or staff without teacher permission.***
- ***Students will not produce, access or publish inappropriate and/or hurtful material online.***
- ***It is never acceptable to insult or harass fellow students/staff via text, email and all social media apps.***
- ***Students may not access computer games unless given permission from staff/club advisor.***
